investment clients

## Our experience matters. Our methods work.

### You are managing corporate reputation

We help you develop and execute strategies tailored to your situation and targeted to your unique stakeholders.

### You are pursuing or defending against M&A

We help you communicate the merits and rationale to audiences across important investor, internal, customer, and media platforms that matter.

### You are concerned about or engaging with activists

We help you prepare for and engage with shareholders and activists to defend your strategy and governance.

### You are facing a crisis

We help you mitigate risk, minimize damage to your reputation, and enable a return to normal.

### You are raising private funds

We help you preserve and enhance value across your portfolio, while telling your story to the right investors.

### You are going public

We help you execute a successful IPO with the right communications to investors, and preparation and infrastructure for your teams.
